COVER: Four of five returning starters have the responsibility of "Holdin' Down the Fort" until replacements step forward this fall. The four pictured are: (L to R) Darryl Pittman, Cliff Rollins, Rob Ukleya and Eric Busenbark (sitting). The photo was taken at the Old Fort Hays historical site in front of the Blockhouse which was the Fort's point of fortification. A special thanks to Ron Parks, Fort Superintendent, for his help in making this photo possible.

Media Information

The Tiger Football Media Guide was prepared by the Fort Hays State Sports Information Office to assist the news media in its coverage of FHSU football. Requests for additional information, feature materials and photographs, will be readily granted. Please contact Kim Kimbro, Sports Information Director, for your specific requests.

Credentials...

Requests for credentials for Fort Hays State home games should be made at least one week prior to the game. Credentials will be limited to working press, radio, television and visiting information directors, and may be obtained through the Sports Information Office.

Interviews...

All requests for interviews with players and coaches must be channeled through the Sports Information Office. Post game interviews with Coach Vincent can be conducted following a 10 minute cooling off period outside the Tiger locker room. Player contact can be arranged after the game outside the locker room.

Game Services...

Media guides, programs and the latest statistical information will be available in the press box prior to all contests. Half-time statistics, play-by-play and final statistical booklets will be distributed during halftime and approximately 10 minutes after each game.

FORT HAYS STATE UNIVERSITY

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the six state universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,500, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of 1,500 courses.

Fort Hays State University is one of six state-assisted universities governed by a Board of Regents appointed by the Governor of the State of Kansas.

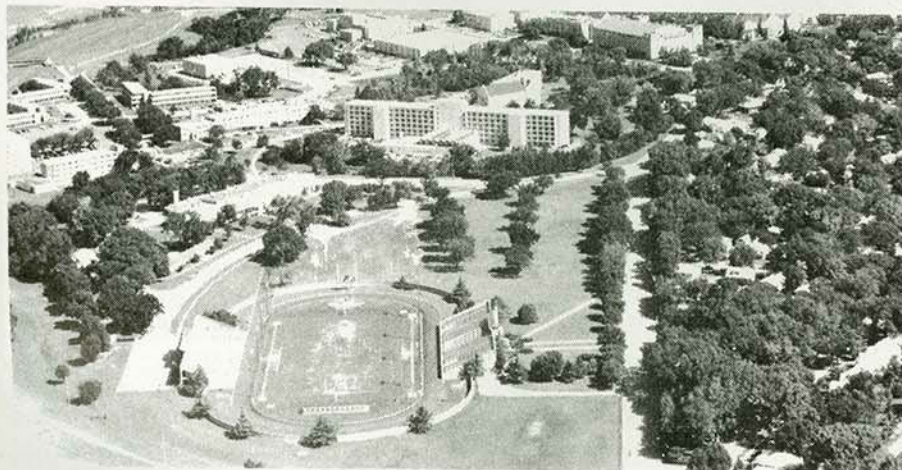

The main campus of FHSU sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive learning atmosphere, but also a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

Fort Hays State University is located in Hays, the largest city in northwest Kansas. A progressive city of 17,500 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of five schools: Arts and Sciences; Business; Education; Graduate; and Nursing, and 24 departments.

FHSU is academically superior to any comparable universities and is richly endowed by heritage and tradition. A recent survey of our students showed that while there are a multitude of reasons why students come to our University, their overwhelming response was "because of the University's reputation for academic excellence."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in 11 men's and women's sports. FHSU is a member of the strong Central States Intercollegiate Conference, a league made up of eight schools from the states of Kansas, Missouri and Nebraska.

EDWARD H. HAMMOND - President

Dr. Edward H. Hammond was named the eighth President of Fort Hays State University on April 18, 1987. Hammond, who was born in McAllen, TX, was Vice President for Student Affairs and associate professor of education at the University of Louisville before assuming his new position.

He succeeded Dr. Gerald Tomanek as president at FHSU. Tomanek, who had been associated with the University since 1938 as a student, teacher and president, guided the University's fortunes since 1976.

Hammond brings a wealth of experience to the Hays campus. Prior to his responsibilities at Louisville, he was Vice President for Student Affairs and assistant professor in the School of Education at Seton Hall University in South Orange, N.J.

Other prior positions were Assistant to the President for Student Relations and assistant professor in the Department of Higher Education at Southern Illinois (Carbondale) University; Assistant Dean of Students at the Carbondale campus; counselor at the University of Missouri-Columbia, and Director of Student Affairs at the North Central Campus of Purdue University.

Hammond's honors include being named to Who's Who in Education, Who's Who in the South, Outstanding Young Men of America, the President's Commission on the Rights and Freedoms of Students, and the Inter Association Task Force on College Alcohol Abuse and Misuse.

Hammond has published extensively and is in demand nationally as an educational consultant. He has served on several occasions as a professional expert witness in court cases.

Hammond said upon his appointment that he is impressed with the innovative programs in place at FHSU. "The Small Business Development Center, a program which has successfully helped develop small businesses in western Kansas, the Honors Program, the computerized writing analysis program in the Department of English, and the \$3 million federal grant that is enabling the library to become completely computerized, are just a few of the many outstanding programs which have brought FHSU not only state wide recognition but national attention as well," said Hammond. "I'm looking forward to working at Fort Hays State University."

He and his wife, Vivian, are the parents of three children, daughters Kelly and Julie and son Lance.

ROBERT VAN POPPEL - Director of Athletics

Robert Van Poppel, who brought with him strong and successful experience in the educational and private sectors, was named to the post of director of athletics at Fort Hays State University on April 22, 1985.

Van Poppel uses a guideline in life of "strive for excellence, no excuses and no compromises." In his two years at Fort Hays State, Van Poppel has taken steps to insure that our athletes are getting along well academically as well as competing for conference, district and national honors. He has made great strides to improve the athletic department's relationship with its former letter winners by reviving a dormant K-Club membership and implementing a Varsity Club for persons who have lettered since 1975. Van Poppel also was instrumental in forming and inducting the first 20 members into the Tiger Sports Hall of Fame.

A native of Ohio, Van Poppel was highly successful in the insurance business in Richmond, IN, before coming to FHSU. His administrative background in athletics dates back to Earlham College in Richmond where he was athletic director from 1977 to 1982. He coordinated the entire program for a small liberal arts college with an enrollment of 1,300. He was responsible for a total of 16 varsity sports.

Van Poppel has also held posts as a coach and health, physical education and recreation instructor at Chadron (NE) State College, 1973-77; Wittenburg (OH) University, 1970-73; and the University of Wisconsin-Whitewater, 1969-70. He has also held positions in athletics at the high school level in Ohio.

A four-time letter winner in basketball as a collegian, Van Poppel received his B.S. degree in Education from Bowling Green State University in 1966. He earned a master's degree in Education from Ohio University in 1968. Indiana University was the site of advance graduate work in administration for Van Poppel.

Bob and his wife, Lynne, reside in Hays and are the parents of five children: Andra (16), Bret (18), Clete (12), Helen (26) and Tisha (16).

Preview '87

On the cover of this publication four Fort Hays State University football players are depicted as soldiers at Fort Hays. The blockhouse at the Fort was built in the 1860's as a guard against Indian attacks. The Fort ultimately was never attacked, but the blockhouse still stands as a tribute to the soldiers who were prepared to fight for the cause.

The returning starters on the '87 football squad can relate to the soldiers assigned to Fort Hays, but one thing they can be assured of is to be attacked. FHSU has possibly the toughest schedule ever in the grid program's existence. Opponents include five schools that were ranked in the NAIA's top twenty at one time during the 1986 season. Cameron University is one of those and finished as the national runner-up, losing Carson-Newman (TN) 17-0 in the national championship contest. Pittsburg State and Washburn were also playoff participants.

A leadership role will have to be assumed by the five starters that return and reinforcements will come from several areas. The tough schedule and the task of rebuilding are a part of the game though neither is enough to dampen the enthusiasm of third year head coach John Vincent.

"Our players have a very positive attitude that I believe will be a factor," Vincent said. "We have our redshirt players coming back and everyone showed a lot of enthusiasm last spring. When you have a very young team you gain a lot in enthusiasm, but it will take them a while to gain the experience required to be greatly successful against an older and more experienced team."

OFFENSE

Three starters return on the offensive side of the ball from a unit that averaged 386.6 yards and 25.1 points per game in '86. One of the biggest losses came during the summer when the coaching staff learned that quarterback Jeff Miller would not return for his senior season. Miller chose not to return because of a lack of commitment toward football.

The chore of guiding the Tiger offense is now in the hands of two freshman red-shirt quarterbacks, Craig Modellmog and Brent Cowan. Another pair of freshman signal callers have been signed, but are not expected to contribute in game situations this season. At runningback, FHSU will rely on sophomore Fred Terry who saw most of his playing time at slotback last year and a trio of junior college signees, Mickey Sanders, Tim Lewis and Jeff McMillen.

Once again the receiving corps seems to be the strength of the offense. "We've got some versatility, depth and quality athletes with speed at that spot," Vincent said. Eric Busenbark, an all-American pick in 1985, is back with a healed knee. Busenbark posted fairly good numbers last year, 38 receptions for 435 yards, when he was less than healthy. Also returning is Tyrone Tracy who as a freshman caught 22 passes for 256 yards and was very valuable as a return man. Scott Underwood and Jason Leiker were redshirts that came to the front as wideouts in spring drills. Kenny Faulkner, a former FHSU track athlete, was also impressive as a deep threat last spring. Junior college transfers Jerald Demery, Andre White, McMillen and Lewis are also included in the aerial plans.

The offensive line will be anchored by returnees Rob Ukleya at tackle and Darryl Pittman at center. Mike Shoff, who was forced to sit out last season with a knee injury, should return at full strength at the other tackle. The redshirt experiment will also be tested in the line with Dean Gengler, Joe Karas and Mike Mahoney expected to get their chances. A Dodge City Community College product, Tom Schroeder, should also figure into play on the offensive front.

DEFENSE

The whole attitude of our defense has changed. They are more positive and confident in what we are doing," Vincent said. "We've had people rise above their potential of a year ago. We do not have the individual talent we had last year, but

we are so much better organized that that in itself will be a strength for us."

Of the players coming back, very few names will be recognized on defense. Cliff Rollins returns after a part-time starting role at defensive tackle. Rollins may also be used at a defensive end position this season. At linebacker the Faagai twins, Edmund and Edward, will play in the same season for the first time. Edmund was a medical redshirt in '86 and may opt to return to the defensive front as a defensive end. Edward is a returning starter at linebacker. The only other players familiar with the CSIC are defensive backs Greg Woodward and Steve Heft. Both Woodward and Heft are cornerbacks by trade and will see extensive action in that capacity.

Newcomers expected to contribute on defense include Ronald Gordan and Kevin Weber at nose guard. John Befort, Karl McGee, a group of redshirts and several juco transfers will make up the interior line. Also in the picture at defensive ends are another pair of redshirts, Doug Blank and Duane Charbonneau. Linebacker holes will be filled by Darin Swonger, Jim Liden and more redshirts and junior college players. Kansas State transfer Dusty Trail and sophomore Scott Jones will team with Woodward and Heft to strengthen the secondary.

The defensive philosophy this season is based on team effort and players on the field seem destined to be ever changing. "We are going to have to do some in-game and week-to-week adjusting depending on the opponent," Vincent said. "We believe the more people that feel they are a viable, contributing force, the better your team will be."

SUMMARY

A few keys to the 1987 FHSU football season would seem to be how well the new coaching staff works together, the success of the redshirt experiment and how the junior college crop of players can blend with the squad members.

Vincent believes that the coaching staff which underwent a major overhaul is fine tuned. "We've had some staff changes that have been very positive. Both coaches, offensive coordinator Duane Dirk and defensive coordinator Pete Peltzer, are experienced and creditable. I think that will be a very big factor in our season."

Over thirty freshman and sophomore players were held out of action the last two years to prepare them for Central States Intercollegiate Conference competition and a tough NAIA schedule. They were given time to develop physically and become accustomed to the FHSU system. Only time will tell how much of an impact these players have on the '87 campaign.

A group of about 15-20 junior college transfers that the Tiger coaching staff signed over the summer will most definitely have some effect on the upcoming season. A few enter with all-America credentials and could become team leaders by the seasons end.

Once you put all of the factors together, FHSU's head coach still believes the ones that will mean the most are attitude and the experience of the coaches. "This is definitely a building year for us. We are going to be very young and inexperienced, but I think that a positive attitude and the experience of the coaching staff in handling the situation will carryover. I think we are going to have a good season."

Tiger Coaching Staff

JOHN VINCENT - HEAD COACH

John Vincent has compiled an 11-8-1 record in his first two seasons as head coach of the Tiger football program. Vincent led FHSU to a 7-2-1 record and a number 12 ranking in the NAIA's final poll in his first year as a head coach.

A native of Medicine Lodge, KS, Vincent spent three seasons as an assistant at Fort Hays State before assuming head coaching responsibilities. He was responsible for coordinating the defense under Bobby Thompson in 1984 and held down the same position for Jim Gilstrap during the 1982 & 1983 seasons.

With experience in the high school and junior college ranks, Vincent has coached at all levels. In 1980-81, he was the defensive secondary coach at New Mexico Military Institute. He also made stops at Victoria and Claflin high schools during his coaching career.

The Tiger head mentor received both his undergraduate and graduate degrees from Fort Hays State. He earned his Master of Science in physical education in 1982 and his Bachelor of Science in biology in 1971. While working on his master's degree, Vincent was a graduate assistant on the FHSU coaching staff.

Vincent attended Kansas State University prior to finishing his undergraduate work at Fort Hays State. His football playing career was cut short by a stint in the Army. He played cornerback and free safety on Army post teams that competed in inner service games. Vincent went out for Tiger spring ball in 1979 but was unable to continue playing due to an illness.

John and his wife, Mary, are the parents of twin sons, Shiloh and Tanner and also have one daughter, Shamra.

THE VINCENT PHILOSOPHY

"Football is a game. I think you have to view it in that perspective. You have to be intense and concentrate on what you are doing, but you've got to keep it in perspective. If you are doing the best that you can and still lose, it is not life and death. It's not like you've been told you are going to be shot. I think it has to be approached as a teaching philosophy and not screaming, yelling and belittling the players. You have to teach your kids mental discipline and how to maintain composure. If you are going to play football it has to be a positive experience because it is enough hard work playing and practicing. You have to have some kind of rewards and its got to be fun, especially when you play a game."

DUANE DIRK - Assistant Coach

Duane Dirk joined the Tiger coaching staff last spring and will coordinate the defense. Dirk comes to FHSU following a successful stint at Coffeyville Community College as an assistant in Dick Foster's well respected program.

Dirk had responsibilities as the defensive coordinator, defensive line, linebackers and strength and conditioning coach in his four year stay at Coffeyville. The Red Ravens posted a 39-7 record from 1983-87, won a NJCAA National Championship in 1983 and was the Kansas Jayhawk Juco Conference's best defense and ranked 10th nationally in 1986, all while Dirk was involved in the program.

A native of Milwaukee, WI, Dirk played varsity football at Kansas State University. He was a three-year starter at defensive tackle, academic all-American (1979), all-Big Eight Academic (1979) and honorable mention all-Big Eight (1979). Dirk also held graduate assistant and part-time assistant coaching positions at his alma mater from 1979 to 1983.

Duane and his wife, Melody, have four children: Duane, Jr., twins John and Jennifer and Travis.

PETE PELTZER - Assistant Coach

Pete Peltzer also is a newcomer to the Tiger coaching staff this season with responsibilities as the offensive coordinator and offensive line coach. Peltzer has spent the last two seasons as the offensive line coach at Sul Ross State University in Alpine, Texas.

Peltzer also brings with him fine credentials as a coach in the same Coffeyville Community College program as Duane Dirk and the Kansas high school system. At Coffeyville, he gained experience as a part-time wide receiver coach in 1980 and spent 1981-84 as the offensive line coach. He has held positions at Pittsburg Colgan High School (1978) and Independence High School (1979).

A two-year letterman at Pittsburg State University, Peltzer was an all-CSIC wide receiver in 1976 and an honorable mention all-CSIC tight end in 1977. He also played two seasons at Coffeyville CC. Included in his accomplishments was a starting spot on a Wool Bowl Championship team for the Red Ravens in 1975. A stint in the U.S. Marines also provided him with post-high school playing experience on service teams.

Peltzer is a native of Atchison, KS, his wife's name is Brooke and they have two children, Matt and Kelsey.

Fort Hays State 38, Lincoln 3

HAYS, KS (Sept. 6) - Weather conditions during the Fort Hays State season opener proved to be a preview of what the season would hold weatherwise. It was a cool rainy evening at the games start and the two squads would play the second half in a downpour. The Tigers opened with 32 first half points while holding the opposing Blue Tigers scoreless in the first 30 minutes. FHSU sat on its halftime lead and cruised to a 38-6 win. The Tigers used a balanced offensive attack to control the contest. Key contributors were Sylvester Butler with 85 yards rushing and the receiving corps of Randy Knox (6 catches for 86 yards & 1-TD), Frankie Neal (4 catches for 63 yards & 1-TD) and Eric Busenbark (5 catches for 51 yards). Randy Fayette also put in a good night's work with 19 completions in 37 attempts for 244 yards and two touchdowns. The FHSU defense held Lincoln to only 107 yards in total offense.

Northwestern Oklahoma State 44 Fort Hays State 21

HAYS, KS (Sept. 13) - It would be FHSU's only good playing conditions at home during the '86 season, but the Tigers fortunes on the field were not nearly as good as the weather. The temperature was in the low 80's with a slight breeze from the south at kickoff. The Rangers blew the game open with 17 second quarter points to take a 17-14 lead into their locker room at the half. NWOSU added 27 second half points to whip the listless Tigers. A potent running attack was the difference for the Rangers as they racked up 213 yards rushing. The duo of Mike Osborn and Troy Brown did most of the damage for NWOSU. Quarterback Troy Chestnut was also a machine-like 12-22 for 184 yards and three touchdowns. A pair of Tiger signal callers, Randy Fayette and Jeff Miller, threw for 336 yards passing but also were intercepted five times and sacked four times by the Ranger defense.

Fort Hays State 57, Black Hills State 6

HAYS, KS (Sept. 20) - On an almost unbearable day, the Tigers made life unbearable for Black Hills State of South Dakota. A crowd of 3,408 fans gathered for the game, but most were gone by the half because of the 90-plus degree heat and 20-30 mph winds. FHSU held a commanding 29-0 edge at the intermission. Running back Sylvester Butler and receiver Frankie Neal, the Okeechobee, Florida connection, combined for four TD's in the first half to pace the Tiger offense. The FHSU defense was also stingy early giving up only 38 yards rushing and 66 passing at halftime. Outstanding performances were aplenty in the contest and this game proved to be the emergence of Jeff Miller as the quarterback of the future for the Tigers. Miller threw for 476 yards and four touchdowns while only being intercepted once.

Fort Hays State 35, Missouri Western 0

ST. JOSEPH, MO (Sept. 27) - FHSU rolled to its fourth win in five games by virtue of a stellar defense. The Tigers held Missouri Western out of the endzone on every opportunity. Jeff Miller and Co. continued to roll up the big offensive numbers with an output of 432 yards in total offense. Miller used nine receivers to complete 30 of 61 passes for 325 yards. Four Tiger players caught more than five passes each - Eric Busenbark 7, Frankie Neal 6, Randy Knox 6, Tyrone Tracy 5. FHSU rebounded from a minus two yards rushing total at the half for 55 yards to the good by the end of the contest. Defensive tackle Sam Harris had the game of his life with eight total tackles including two quarterback sacks. Harris was later named CSC Player-of-the-Week for his performance.

Kearney State 39, Fort Hays State 21

KEARNEY, NE (Oct. 4) - A close game was turned into a rout when the Lopers scored 17 fourth quarter points to put away the Tigers. The two squads played to a 15-14 halftime score with FHSU leading at the time. The Tigers outgained Kearney State in total offense but turnovers proved costly to the Black & Gold. The Loper defense forced FHSU to rely on their pass offense and gave up only 28 yards rushing. Mark Voss guided the KSC offense with a near perfect outing - 15 of 20 for 218 yards, no interceptions and two touchdowns. Loper tailback Kevin Trosper was also a key to winning with a 91 yard rushing performance and a 14 yard touchdown run. Kearney State had won only one game prior to the tilt with FHSU, but went on to a successful 5-4 season.

Fort Hays State 14, Wayne State 0

HAYS, KS (Oct. 11) - It was one of the worst homecoming crowds ever and the weather was a major contributor. Most of the festivities were cancelled including the parade and the crowning of the queen, but the ball game went on. Field conditions were so poor it seemed as if neither team would score in the contest and no one did until early in the final quarter of play. The Tiger defense made two tremendous goal line stands with the score still tied at 0-0 late in third quarter and early in the fourth quarter. FHSU also stopped the Wildcats on two field goal attempts inside the Tiger twenty yard line. Les Miller, a defensive tackle from Arkansas City, KS, led the defensive charge. Miller collected 11 tackles with a quarterback sack of WSC's John Lawrence on fourth and one on the final play of the third stanza.

PITTSBURG, KS (Oct. 18) - Pittsburg State rolled to a big win on the performance of quarterback Gene Stegeman and a stifling defense. Stegeman ran for the Gorillas first touchdown, threw for two more touchdowns and ran the triple option to near perfection. He was 12-22 passing for 230 yards and did not throw an interception. On the other hand, the Tigers were stopped by the PSU defense and themselves with five interceptions a fumble and eight quarterback sacks. FHSU was held to a single first down rushing and a total of minus 22 yards on the ground. The outcome of the game was never in doubt as the Gorillas scored the first 14 points and 32 total first half points.

Washburn 40, Fort Hays State 35

HAYS, KS (Oct. 25) - An emotional contest for both teams went down to the final minute of play when the Ichabods pulled it out with a 27 yard touch-down pass from Jim Bernard to Aaron Walker with 0:52 seconds left in the game. FHSU had taken its first lead at the 2:11 mark of the fourth when Jeff Miller ran it in from 1 yard. Footing was a problem on the rain soaked field at Lewis Field and both offenses took advantage of the situation racking up almost 800 yards in total offense combined. Eight turnovers also marred the contest. Jim Bernard provided leadership at quarterback for Washburn with 73 yards rushing. He also passed for 172 yards and a touchdown. Mike Worth and Frankie Neal sparked in a losing effort for the Tigers. Worth totaled 102 yards rushing and a 12 yard touchdown run on 14 carries. Neal caught three touchdown passes (49, 66, 83) and gathered in five catches for 214 yards.

Missouri Southern 3, Fort Hays State 0

HAYS, KS (Nov. 1) - On this day, the weather was so cold and rainy that even the scoreboard at Lewis Field Stadium decided to take the day off. Neither the Tigers or the Lions exactly lit the scoreboard up, but it decided to malfunction in the second half. The only points scored also came in the second half on a 35 yard field goal by Missouri Southern's David Thaman. FHSU could not sustain a drive in the miserable conditions and fumbled the ball eight times, but was able to recover the football four of those times. The Lions field goal drive came directly after Tiger quarterback Jeff Miller was intercepted. The drive was four plays for 19 yards before Thaman connected on the game winner. Fort Hays State's best chance to score came midway through the third quarter when they were first and goal on the four. Mike Worth fumbled on the ensuing play and the Tigers were thwarted once again.

Emporia State 25, Fort Hays State 16

EMPORIA, KS (Nov. 8) - The season ending contest for the Tigers was as disappointing as the entire '86 campaign. Squandered opportunities and inopportune penalties cost FHSU a win at Emporia State. A touchdown called back on a penalty, a bad snap on a field goal attempt, a missed field goal, four interceptions and two punt attempts fumbled out of the end zone for safeties contributed to the downfall of the Tigers. The Hornets took advantage of most of the opportunities given them to take the victory. ESU quarterback Randy Becnel paced the Hornet attack with a 9-19-1 passing day including 148 yards and a 15 yard touchdown pass to Jeff Sladucha. Becnel also teamed with fullback David Tryon to lead the ground game with 54 and 123 yards, respectively.

FORT HAYS STATE AND THE NFL

Steve Crosby (1971-73) has been the most successful Tiger in professional foot-ball. Crosby played three seasons for the New York Giants before a knee injury ended his career in 1977. He was selected in the 17th round of the 1974 National Football League free agent draft. Since the end of his playing days, Crosby has coached with Miami Dolphins, Atlanta Falcons and the Cleveland Browns. Crosby returned to the Falcons last season as the quarterback coach.

Four members of the 1986 Fort Hays State football squad signed on with the National Football League after they completed their eligibility with the Tigers. Frankie Neal, wide receiver from Okeechobee, Florida, was a third round pick of the Green Bay Packers. Howard Hood, Les Miller and Rod Timmons all signed free agent contracts with NFL clubs. Hood, offensive lineman from Kerrville, Texas, hooked up with the Atlanta Falcons. Miller, defensive lineman from Arkansas City, Kansas, signed with the New Orleans Saints. Timmons, defensive lineman from Los Angeles, California, inked a contract with the Los Angeles Raiders.

A number of former Tigers were signed as free agents, but none are known to have played in the NFL.

WHY THE TIGERS?

The nickname "Tigers", given to Fort Hays State's athletic teams, traces its origin to the year 1913.

The Tiger is a transplanted Missourian chosen by William A. Lewis during his presidency from 1913 to 1933. Lewis taught in Missouri schools and colleges and urged adoption of the Tiger, also the mascot of the University of Missouri, for Fort Hays State.

Lewis also is credited with adding the color black to the original college color, gold, to identify Fort Hays State as independent of the Emporia Normal School. At that time FHSU was a branch of the normal school.
